## Comments from Parents & Students

"My daughter is headed off to college, anxious to participate in the Hillel program. I credit that interest in part to her religious training in Hebrew school. She learned a lot of the fundamentals of basic Judaism in the lower grades, trained under excellent tutelage for her Bat Mitzvah, and then in Hebrew High School was intellectually stimulated as she was introduced to Jewish ethics and philosophy and to modern-day Israel. I have nothing but praise for the teachers and the process she experienced."

- L.B., parent of three

"My children have learned so much from the Hebrew school, especially through the individualized attention they have received."

- R.C., parent of boys in 2nd and 5th grades

"The staff and the environment they create are so warm and inviting, just like a Jewish home. It teaches the kids what a Jewish community is all about."

- W.V., parent of boys in kindergarten and 7th grade

"I love everything!"

- Preschooler Jacob describing how he feels about Sunday school

"Jacob is always excited when it is a religious school day. He is eager to learn new things and share those with us after class."

- A.R., Jacob's dad
