## Sisterhood Membership Tea

November 5, 2017, 2:00 pm – 3:30 pm

You are cordially invited to the BSBI New Member Afternoon Tea on Sunday, November 5, 2017 from 2:00 pm – 3:30 pm at the Arbors of Hopbrook, 403 W Center St, Manchester. This very English Tea will be accompanied by a Demo Workshop by Rima, on the history of makeup over the past hundred years.

It is being presented as part of the Centennial Celebration of the Women’s League.

So please join us for an afternoon fun and games as we take a romp through a century of the history of makeup, as Rima demonstrates on a number of volunteers, the similarities and changes in makeup trends through the decades and how various events and fashion Icons have affected these changes.

All members are welcome no matter what your age! **You may even be chosen as a model** and get to keep what you tried!
