Featuring:

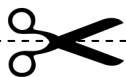

Dr. Barry Holtz

*Lecture: "Rabbi Akiva: Sage of
the Talmud"*

Dr. Holtz served as dean of the William Davidson Graduate School of Jewish Education of JTS from 2008 - 2013. He leads courses in teaching classical texts, professional development for teachers, philosophy of Jewish education, and current issues confronting Jewish education. In his new biography of Rabbi Akiva, he has tried to draw upon the latest scholarship about rabbinic stories to present the outlines of Akiva's life anew for our times. His goal is to present the various stories about Akiva's life in an intellectually serious but accessible manner, highlighting their literary character and trying to discern the ways that Akiva's story might speak to people today. Why should we care about Akiva, this figure from 2000 years ago? Come listen to Dr. Holtz and learn the answer.
